*Al Salam Al Laikum,*

*I pray that Allah finds you and your family well. My name is  
Prince Charles E. L Rogers El. I have been appointed Sultan Of Al*

*Maurikanius Estados, by our beloved Supreme Caliphate of Al Maurikanius Estados. We Are Moorish American Nationals of specific Temple States of the Moorish Science Temple Of America Divine and National Movement. We have sought it proper to consolidate our government by re constituting the Seat of The Sultan Of Marocco left vacant by Mohammed Ben Abdullah El (1790). Our Prophet erected the Temple as an Ecclesiastical State for us to come into the Knowledge of Allah. The Moorish Science Temple Of America (and The World), opened the doors for Moslem / Muslims to practice openly in The Al Maurikanius (Americas Estates) also called The Al Magreb al Aqsa in Islamic historical records. Therefore the Caliphate of Sultanate Ea Al Amurikanius Estados, has appointed the Sultan to dispatch Emissaries, Special Moorish Envoys, Consecrated Missionaries, Ambassadors, Supreme Grand Sheikhs, Grand Sheikhs, and Sharifs to various Embassies within the Empire. As protocol requires that a Diplomat from our Country (Sultanate Ea Al Maurikanius Estados) be premaritally posted in El Sanguine (New York), for the purpose of liaison to the United Nations and its various agencies. To That end I hereby Appointed and Consecrate Noble Grand Sheik Yashua Ankh Bey El, to The Position of Diplomatic Consul Generalissimo (General) of The Sultanate Ea Al Maurikanius Estados Imperial Foreign Mission. He is to be extended all rights and rights and honors awarded a Diplomat of A-1 status. He is backed by the full faith and credit of his office and that of the Empire. The Sultan's seals that bind this proclamation is prima facie evidence of The express trust given Noble Grand Sheik Yashua Ankh Bey El. The above mentioned Diplomat has been given the divine right to establish An Embassy Consul called "The Imperial Foreign Ministry " "MST of A Temple State 2 A2. To provide Consul for Moors Customs, full faith and credit, in their own land, in their own habit inshallah. The Sultan has endeavored to re establish our government's central authority at The Queen's City Charlotte in Our Mecklenburg Dominions (North Carolina Republic), also the birth place of our Prophet who se ancestors were Moors of The Ancient Cherokee Nations. As well as Queen Charlotte of Mecklenburg Sterlitz Coburg Saw Gothe Bey, of The Holy Roman Empire.*

the seat of The Sultanate here at Al Andalusia "The Isle of Flowers" (Florida Republic). It is my sincere wish as Sultan, that in reading this you will see that Sultanate Ea Al Maurikannus Estados is a country of Faithful Moors, who practice Moslem Customary Law, and reserve their rights to govern themselves free of US jurisdiction, based on 239 years of Treaty Law that shows this to be true. Our beliefs are enshrined in our Divine Constitution as Love, Truth, Peace, Freedom, Justice, and Equality. Which acts as our Domestic state law. The present Moorish Government headed by our Sultan, is distinct from our cousins in The Kingdom of Morocco. We share the same country code as they do, yet we declared our independence while they were under the colonial occupation of France. To wit, it is our cause to provide Embassy / Consuls for our brothers who wish to repatriate back to the Moorish Empire, and The Sultan's Government here in AL Maurikannus Estados and abroad. As Moorish People, we have always been a Theocratic Aristocracy and Ecclesiastical Government. As Moorish Americans We are classified as "White" Due to our North African Heritage. "Americans Citizens" due to the fact we are the descendants of the founders of the Old Republic 1321-1791, and "Nationals" Due to the fact we are the Posterity of The Last Sultan of Morocco Mohammed Ibn Abdullah the Third (1790). Back by the full faith and credit of the united States of America in General Congress Assembled. Therefore I, Sultan Prince Charles E. L Rogers El, appointed by the Moorish Americans Of The Temple State, MOST of A, to formed a Government that re constitutes the hereditary seat of the Sultan, of Morocco, who signed the Treaty of Peace and Friendship on The Delaware River in 1787. As well as The Treaty of Jeddah, which led to our Prophet Noble Drew Ali resting the First Temple and State. To establish our Embassies, Temples, Mosques, Schools and Banks. Under our own flag and pedigree. So I thank you for taking the time to read my appointment of our brother Noble Grand Sheik Yashua Antk Bey El, a Permanent Diplomat Consul Generalissimo (General), of The Sultanate Ea Al Maurikannus Estados Imperial Foreign Ministry, Embassy Consul of MOST of A Temple State 2A2, Temple State Badge Number # RB 191 899 345 US.

*At El Sanguine (New York Republic). It is the Sultan's wish that an Embassy  
Consul be established in Washington DC within the next two Years. The Above  
mentioned Diplomat For Sultanate Ea Al Maurikannus Estados will maintain  
domicile in El Sanguine (New York Republic) So Long as The Sultan deems his  
tenure necessary inshallah.*

*Sincerely,*

*Sultan Prince Charles E. L Rogers El  
Sultanate of Al Maurikannus Estados  
Seat of The Government at Al Andalusia (Florida Republic)

I :Yashua-Ank -Bey :El: called the Office of Protocol Foreign Missions Department and spoke to Ms Sheril Ederson at 11:55 am 2-10-2016 and she hung up on me after I told her what Foreign Missions office i was calling from "Sultanate Ea AlMaurikannus Estados" and i called back 3 x . No answer. We have been calling at least three times a week since January 8, 2016, the Birth day of the prophet Nobel Drew Ali. Abandonment office and derelict of duty, is a violation of our Treaty of Peace and Friendship article 20. Embassy Consul Public Notice.
